Subject: Evaluation of Reclamation Plan, Sunroc Corporation, Levan Chicken Creek Mine,  
M/023/0016, Juab County, Utah

Dear Mr. Sumsion:

The Division of Oil, Gas and Mining sent a second review of the Notice of Intention to Commence Large Mining Operations for the Levan Chicken Creek Mine in a letter dated February 23, 2010. The Division received a partial response to the review on August 23, 2010. The response consisted of a reclamation cost estimate and a commitment to answer the additional questions.

One of the comments involved the use of a conceptual reclamation plan. The Division cannot rely on a conceptual plan for calculating the reclamation bond. Enclosed is a copy of the February 23, 2010 letter. Please respond to all comments by, April 18, 2011.

Thank you for your cooperation. Please call me at 801-538-5261 or Wayne Western (lead) at 801-538-5263 if you have questions about this letter.

Sincerely,

Paul B. Baker  
Mining Program Manager
